Suzette Edwards, Processing Certification Manager

Quality Certification Services, a USDA National Organic Program and ISO-65 compliant certification program, has determined, based on a review of the above named entity's application and records, and inspection of its fields, facilities and processes, that the above named entity meets or exceeds the appropriate and applicable standards of organic production, handling, and processing. In displaying this certificate, the Certified Entity warrants that it is in, and will remain in, full compliance with the organic standards set by the USDA National Organic Program. Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked.

Pacific Tomato Growers, Ltd.  
 503 10<sup>th</sup> St. W.  
 Palmetto, FL 34221  
 QCS Entity ID#: 0668H  
 Date Issued: November 23, 2015

*The Product Verification Form does not replace the organic certificate. QCS issues separate organic certificates for USDA National Organic Program (NOP), European Union EC 889/2008 & 834/2007 and the Canada Organic Standards. This document is provided to describe the certified products and the organic standard, equivalence arrangement and/or export arrangement to which compliance has been verified. This document is valid only with the corresponding organic certificate(s).*
